

Trend Updates for the Kitchen and Bath Industry

What?

- Learn what new technologies, product innovations and their effect on bathroom design.
- How the increased focus on wellness has created a demand for spa-like bathroom spaces.
- How the kitchen as the hub for the home calls for a centralized work space.
- Changes in the industry and how they may affect our businesses in the near future.

Joel Warners began working in high end plumbing fixtures right out of high school. He was an integral part of the sales team at Faucets N' Fixtures and helped grow the business from a showroom for plumbers to a high-end showroom that caters to Designers and Builders. He enthusiastically leads the team at Faucets N' Fixtures and is focused on creating the best showroom experience for his clients, from curating the highest quality products, guiding customers with his plumbing expertise and providing the best customer service in the industry.
